Your signature below indicates acceptance of this proposal and its terms. Trivista, Inc. agrees to perform the work described in this proposal subject to the following provisions:

**Expiration:** This proposal is good for a period of up to 30 days from the date of the proposal.

**Change Orders:** The cost of any changes to the scope of work will be priced individually and agreed to, in writing by both parties, before additional work is performed. The cost for additional work will be added to the original project price.

**Payments and Right to Stop Work:** Payment for invoices is due within 30 days of receipt. Past due payments shall bear interest at the rate of 1.5% per month (18% per annum), until paid in full. TriVista, Inc. shall have the right to stop work if any payment shall not be made, when due under this Agreement. Failure by the Customer/Owner to make payment when due, is a material breach of this Agreement.

**Right to Cure:** In the event that Customer/Owner alleges that some of the work is not or has not been done correctly or timely, Customer/Owner shall give TriVista, Inc. notice and an opportunity to commence to cure the condition that Customer/Owner has alleged is insufficient.

**Attorneys' Fees:** In the event the parties become involved in a legal dispute arising out of or related to this agreement, or the performance or breach thereof, the prevailing party shall be entitled to receive from the other party any and all costs and expenses incurred with respect to such litigation or other proceeding, including without limitation, reasonable attorneys' fees, court costs, other disbursements and costs and expert fees and costs.

This proposal is accepted and forms a fully integrated agreement between Customer/Owner and Trivista, Inc.

## Gray and Bronze Tinted Glasses

### Aesthetic Description

Gray and bronze tinted glasses have long been popular with architects because of their ability to harmonize with other building materials and add sleekness to building profiles. Vitro Architectural Glass (formerly PPG glass) offers three distinct gray tints with varying levels of Vitro Architectural Glass (formerly PPG glass) (VLT), including ultra-neutral, light-gray *Optigray*® glass, cool-gray *Solargray*® glass and dark-gray *Graylite*® II glass – along with classic *Solarbronze*® glass, which architects have specified for commercial buildings for more than 40 years.

For a broader aesthetic palette, some Vitro gray and bronze tinted glasses are available with reflective *Solarcool*® glass coating.

### Performance Characteristics

Versatile gray and bronze tinted glasses are available with *Solarban*® solar control, low-e glasses or combined in insulating glass with *Sungate*® passive low-e glasses to fulfill a wide range of performance demands.

### Fabrication and Availability

Gray and bronze tinted glasses, as well as *Solarban*® and *Sungate*® low-e glasses, provide maximum processing flexibility and can be easily laminated, tempered or heat-strengthened to satisfy increased strength or safety glazing requirements. Tinted and *Sungate*® glasses are available from hundreds of Vitro-qualified glass fabricators in the U.S., Canada and throughout the world. *Solarban*® low-e glasses are available through the Vitro Certified™ Network.

### Additional Resources

Vitro Architectural Glass encompass a number of environmentally sustainable architectural glass products, including uncoated gray and bronze tinted glasses, as well as those with *Solarcool*®, *Solarban*® and *Sungate*® glass coatings. For more information, or to obtain samples of any Vitro Glass product, contact our Architectural Services Hotline at 1-855-VTRO-GLS (887-6457) or visit [vitroglazings.com](http://vitroglazings.com).

Vitro Architectural Glass is the first U.S. float glass manufacturer to have its products recognized by the *Cradle to Cradle Certified*™ program, and offers more C2C-certified architectural glasses than any other float glass manufacturer.

## PRODUCT DESCRIPTION

Solargray® tinted glass by Vitro Architectural Glass is a soda-lime float glass product with a medium gray color that deepens as thickness increases. In a 6mm thickness, Solargray® glass provides 44% visible light transmittance with a solar heat gain coefficient of 0.55 for improved solar control. Solargray® glass mechanical and physical properties are similar to other soda-lime float glass products.

## SUSTAINABILITY

To provide architects with the assurance and documentation they need to meet and verify their sustainability goals, Vitro Architectural Glass participates in a range of programs and initiatives. Resources available include, but are not limited to:

- Type III Environmental Product Declarations
- Cradle to Cradle Certified™ Bronze with associated Gold Material Health Certificate
- LEED® and Living Building Challenge documentation
- Material Ingredient Disclosure and Safety Data Sheets
- Annual Corporate Sustainability Report

Further information is available through VitroGlazings.com or by calling 855-887-6457 (VTRO GLS)

## SOLAR PERFORMANCE VALUES <sup>[1]</sup>

Glass Thickness		Transmittance				Reflectance	
inches	mm	Ultra-violet (%)	Visible (%)	Infrared (%)	Total Solar (%)	Visible (%)	Total Solar (%)
1/8	3.0	37	60	55	58	6	6
5/32	4.0	33	56	50	53	6	6
3/16	5.0	29	50	44	48	6	5
1/4	6.0	24	44	37	42	6	5
5/16	8.0	17	33	27	31	5	5
3/8	10.0	13	28	21	26	5	5
1/2	12.0	8	18	14	17	5	5

<sup>[1]</sup> Figures may vary due to manufacturing tolerances. All tabulated solar performance data are based on the methodology prescribed in ISO 9050, 2003 except Infrared, which is based on the solar irradiance data prescribed by ISO 9050, 2003 from 780 to 2500 nm. Slight changes in transmitted optical properties may occur on exposure to sunlight.

**OTHER: 1/16" x 3/8" Foam Glazing Tape**

## TEMPERED GLASS

### Overview of Tempered Glass:

Tempered glass is made using special heated furnaces, which heat the annealed glass to a uniform temperature of approximately 700°C. When the glass exits the furnace, it is rapidly cooled. This rapid cooling puts the glass surface into a state of compression while the center core remains in tension.

### Tempering Process:

Tempered glass is made by uniformly heating annealed glass to a temperature of up to 700°C and immediately cooling it. The glass first goes through the furnace, carried in by rollers, where it is heated using three modes - conduction, convection and radiation. The rollers conduct the heat, while the coils help in the radiation of heat. The convection effect is brought about by hot air blowing through the nozzles, thus circulating the heat inside the furnace and making sure that the glass is heated evenly on all sides. This super-heated glass then undergoes a rapid cooling process by a uniform and simultaneous blast of air on both surfaces.

After tempering, the stress pattern developed by the glass is high, and the mechanical strength of tempered glass is four to five times higher than that of annealed glass.

Mechanical Strength of Tempered Glass = 4 x Mechanical strength of Annealed Glass

When tempered glass is broken, all the stored energy is released at once and the glass breaks into small pieces.

### Characteristics of Tempered Glass:

Tempered glass is four to five times stronger than annealed glass of the same size and thickness against impact.

Tempered glass has higher thermal strength, and it can withstand high temperature changes up to 250°C.

Tempered glass is considered as safety glass. It is difficult to break and even in the event of a breakage, disintegrates into small relatively harmless globules.

Tempering does not alter the basic characteristics of glass such as light transmission and solar radiant heat properties of normal glass.

The glass surface after heat treatment has the same resistance to surface damage as annealed glass.

Tempered glass cannot be cut or altered.

One problem that can also exist with tempered glass is spontaneous breakage, where the glass can break for no apparent reason. **Spontaneous breakage** occurs when nickel sulfide stones increase in size due to repeated heating and cooling.

#### **Properties of Tempered Glass:**

Properties	Tempered Glass
Thermal Shock Resistance	Up to 250°C
Mechanical Strength	Four to five times stronger than annealed glass
Tensile Strength	65 MPa
Bending Strength	120-200 N/mm <sup>2</sup>
Surface Compression	> 95 MPa
Design Stress for Architectural Purposes	50 MPa
Fragmentation	Small round crystals
Conducive for Processing	Cannot be cut after Tempering

#### **Need for Tempered Glass:**

Tempering increases tensile strength, thermal shock resistance, and safety of normal glass. It also increases its heat withstanding capacity. Because of these properties, tempered glass is preferred in applications where strength, safety and thermal resistance are important considerations.

- **Strength & Safety Considerations**
  - Four to five times stronger than annealed glass
  - Two to three times stronger than heat strengthened glass
  - Fragments into small, relatively harmless pieces, reducing the likelihood of injury.
- **Heat resistance**
  - Withstands both uneven heating and high temperatures due to its superior edge strength compared to normal annealed glass. Because of its high edge strength tempered glass is used in spider and point fixed glazing.

#### **Thermal Breakage:**

Uneven heating due to direct sunlight makes glass expand and contract at different rates. This difference in the rates of expansion (central part of glass) and contraction (edges of glass) create stresses in glass which may lead to breakage. When temperature difference is below 32°C, the risk of thermal breakage is low, but when the difference becomes more than this, the risk increases significantly.

Thermal breakage starts at the edge and is perpendicular to the glass edge. Breakage may be single or multiple depending on the built-up stress. Several cracks indicate high thermal stresses across the glass pane. A fully tempered glass has significantly higher edge strength to withstand chances of thermal breakage

#### **Application of Tempered Glass:**

Tempered glass is specifically designed for use in areas where there is a high risk of contact and breakage. It is not harder or softer than annealed glass but is tougher. Tempering does not make glass more porous nor is tempered glass more prone to scratches than normal glass. Tempered glass offers a wide variety of uses in industries including building, manufacturing, automotive, to name a few.

There is a wide scope for the use of tempered glass in the building industry. It can be used to raise the elemental beauty of exteriors and interiors by using it on facades, showroom shelves, dividers, shower cabins, doors and the like.

High resistance to thermal stress and small missile impact makes tempered glass an ideal choice for sloped glazing.

The manufacturing industry uses tempered glass in ovens, refrigerators, fireplace screens, and shelves.

In the motor vehicle industry, tempered glass is commonly used inside and rear windows.

**CRL Black 1/16" x 3/8" Poly Liner Double Sided Foam Glazing Tape**

Catalog Number: V992116X38BL

Finish: BLACK

- Excellent Adhesion to Wood, Vinyl (Rigid PVC), Aluminum, and Glass
- Superior Resistance to Weathering, Oxidation, and UV Exposure
- Meets AAMA 810.1 Certification
- Aggressive Adhesive
- Service Temperature Range From – 40°F to 180°F (-40°C to 82°C)
- Available in Gray and Black

**CRL Foam Glazing Tape** is a closed-cell polyethylene foam sealant in tape form. The aggressive acrylic adhesive is formulated to position the foam on curved or irregular surfaces with the slightest pressure. Adheres to wood, vinyl, aluminum, and glass. It can be used as an exterior glazing sealant - particularly where glass repositioning is important before the final setting.

## Fire-Rated Narrow Profile Steel Doors & Frames

Fire Rating: 20/45/60/90 Minutes

Fireframes® Designer Series doors and frames incorporate precise European engineering to provide a sleek, modern alternative to traditional steel hollow metal frames with glass sizes surpassing traditional systems.

### FEATURES

- Fire ratings of 20-90 minutes (45-90 minutes with required hose stream test)
- Easy installation similar to typical storefront systems
- Narrow steel profiles
- Full-lite doors available in single leaf or double leaf design
- Durable welded steel construction of doors
- Modular system that can incorporate 20/45/60/90 minute Fireframes Designer Series doors
- Can be used with wired glass, Fireglass® 20, Pilkington Pyrostop®, or the FireLite® family of products
- Available as a temperature rise door for 60-90 minute applications
- Frames supplied welded or "K-D" (knock-down) ready for installation
- Door hardware available to fit functional requirements. Please check with TGP for compatibility
- Finish powder coating at the factory to match desired color scheme
- Arched profiles
- Brushed stainless steel finish available for fire ratings up to 45 minutes

### Notes:

This product is not intended for use in locations requiring a barrier to radiant heat, as it does not meet test standards ASTM E119 or UL 263. If your jurisdiction requires "barrier to heat" framing, please contact Technical Glass Products regarding Fireframes products that meet the barrier to heat requirement.

### LISTINGS/STANDARDS

Classified and labeled by Underwriters Laboratories Inc.® and Underwriters Laboratories of Canada. File numbers R25229 (windows) and R19207 (doors). Tests performed in accordance with:

## Fire-Rated, Impact Safety-Rated Glass Ceramic With Surface-Applied Film Fire-Rating: 20-180 Minutes

FireLite NT is a 3/16" (5 mm) thick fire-rated and impact safety-rated glazing material, composed of FireLite and fire-rated surface-applied film. It is listed for use in doors, sidelites, transoms and borrowed lites.

### FEATURES

- ultraHD<sup>®</sup> Technology for improved surface quality, clarity and color
- Fire-rated for up to 180 minutes with required hose stream test
- Available in two surface grades: Premium and Standard
- Wireless glass ceramic with high performance surface-applied approved fire-rated film
- Impact safety-rated-meets ANSI Z97.1 and CPSC 16 CFR 1201 (Cat. I and II)
- Fits in Fireframes<sup>®</sup> Designer Series from TGP, or standard fire-rated frames
- Withstands thermal shock
- Large sizes available
- May be lightly sandblasted or etched on the unfilmed side without affecting fire rating
- Protects from fire and impact on both sides of the glass
- May be insulated (see FireLite IGU fact sheet)
- 3-year limited warranty

**Note:** This product is not a barrier to radiant heat, as it does not meet test standards ASTM E119 or UL 263. If your jurisdiction requires a "barrier to heat" product, please contact TGP regarding Pilkington Pyrostop<sup>®</sup>.

### SURFACE GRADES

**Standard Grade** - Polished for a surface quality that is comparable to alternative fire-rated ceramics marketed as having a premium finish.

**Premium Grade** - Finish ground and polished on both surfaces to provide superior surface quality, improving overall clarity and providing a surface that is unmatched by alternative products.

	DOORS (temp rise)	100 in <sup>2</sup> / 0.69 ft <sup>2</sup> (.06 m <sup>2</sup> )	12" (304 mm)		33" (838 mm)
	OTHER THAN DOORS	3,325 in <sup>2</sup> / 23.09 ft <sup>2</sup> (2.15 m <sup>2</sup> )	95" (2,413 mm)		95" (2,413 mm)
90 min.	DOORS (non-temp rise)	2,034 in <sup>2</sup> / 14.13 ft <sup>2</sup> (1.31 m <sup>2</sup> )	36" (914 mm)		56-1/2" (1,435 mm)
	DOORS (temp rise)	100 in <sup>2</sup> / 0.69 ft <sup>2</sup> (.06 m <sup>2</sup> )	12" (304 mm)		33" (838 mm)
	OTHER THAN DOORS	2,627 in <sup>2</sup> / 18.24 ft <sup>2</sup> (1.69 m <sup>2</sup> )	56-1/2" (1,435 mm)		56-1/2" (1,435 mm)
180 min.	DOORS	100 in <sup>2</sup> / 0.69 ft <sup>2</sup> (.06 m <sup>2</sup> )	12" (304 mm)		33" (838 mm)

Check with frame manufacturer for maximum tested glass sizes and required stop height.  
Note: Individual lite sizes cannot exceed "Max. Exposed Area" shown above.

## MAXIMUM SHEET SIZE

SURFACE FINISH	Premium	Standard	Obscure
	48" x 96" (1.21 m x 2.43 m)	48" x 96" (1.21 m x 2.43 m)	36" x 96" (.91 m x 2.43 m)

## GENERAL CHARACTERISTICS

THICKNESS:	3/16" (5 mm) overall
WEIGHT:	2.56 lb / ft <sup>2</sup> (12.5 kg / m <sup>2</sup> )
APPROX. VISIBLE TRANSMISSION:	88%
APPROX. VISIBLE REFLECTION:	9%
HARDNESS (VICKER'S SCALE):	700
FIRE RATING:	20 minutes to 3 hours
IMPACT SAFETY RATING:	Meets ANSI Z97.1 and CPSC 16FR1201 (Cat. I and II)
STC RATING:	35

## LABELING

Each piece of FireLite<sup>NT</sup> shall be permanently labeled with the FireLite<sup>NT</sup> logo, UL logo and fire rating.

Detail based on use of Fireframes Designer Series narrow profile framing

Glazing Thickness:	3/16" – 1" (5 mm - 25.4 mm)
a. Frame width:	2" (51 mm)
b. Frame height:	2-3/4" (70 mm)
c. Stop height:	3/4" (19 mm)
d. Pocket width:	1/2" – 1-1/4" (12.7 mm x 31.8 mm)
e. Edge clearance:	1/4" (6.4 mm)
f. Bite:	1/2" (12.7 mm)

## INSTALLATION

FireLite NT shall be glazed into the appropriate fire-rated framing with an approved glazing compound (closed cell PVC tape or DAP 33 putty) as supplied by the installer. For 90 minute ratings that exceed 1,393 in<sup>2</sup> (.8987 m<sup>2</sup>), FireLite NT shall be glazed with fire-rated glazing tape as supplied by TGP.

Inspect each piece of FireLite NT immediately before installation and eliminate any with observable edge damage or face imperfections. As with any glass produced by the "roll out" method, individual pieces of FireLite NT may contain minimal variations in thickness. Occasionally, process marks and small occlusions or seeds (bubbles, knots or crystals) may be apparent. However, since they do not generally impair the transparency or affect the technical performance of the glass, they do not represent cause for rejection.

## STORAGE & HANDLING

FireLiteNT must be handled with care during transportation, storage, inspection and installation. Store in a dry place.

## FAMILY OF PRODUCTS

TGP offers a complete family of products for all your fire-rated glazing needs, ranging from 20 minute to 3 hour applications. More information is available online at [fireglass.com](http://fireglass.com), or by calling 800.426.0279.

**PACIFIC VIEW CHARTER SCHOOL**  
**“HARD TO FILL” BONUS AGREEMENT**

This “Hard to Fill” Bonus Agreement (the “Agreement”) is entered into between Pacific View Charter School (“PVCS” or the “School”) and [NAME] (the “Employee”) for the purpose of defining the Employee’s responsibilities in relation to the Employee’s receipt of a one-time “Hard to Fill” Bonus from the School.

In exchange for PVCS paying the Employee a one-time “Hard to Fill” Bonus in the amount of \$5,000 in the payroll cycle following the Employee’s hire date, the Employee agrees to act in good faith in all respects to this Agreement and to fulfill all of the following requirements:

**BONUS REQUIREMENTS**

1. The Employee must be hired no earlier than September 1, 2018.
2. The Employee must be employed in a “Hard to Fill” Special Education Position as designated by PVCS, including as a Psychologist, Speech Pathologist, or Educational Specialist Certificated Staff.
3. The Employee must work in active status at PVCS for a minimum of two (2) years from the Employee’s hire date. If the Employee is unable to fulfill his/her obligation to remain in active status due to serious illness, pregnancy, or another reason considered protected by applicable law, the obligation shall extend by whatever amount of time the Employee is not in active status.
4. The Employee must agree that failure to fulfill the two (2) year service obligation, either by the Employee’s resignation or termination for cause, will result in the Employee being obligated to reimburse PVCS in full for the \$5,000 “Hard to Fill” Bonus.
5. The Employee must agree that participation in the program in no way alters or impairs the at-will nature of the Employee’s employment. This means, despite the two (2) year service obligation which must be made on the Employee’s part, PVCS retains the right to release the Employee at any time, with or without cause or advance notice.

**MANDATORY REIMBURSEMENT**

The Employee agrees to reimburse PVCS in full for the \$5,000 “Hard to Fill” Bonus if any of the following events occur:

1. The Employee resigns from PVCS for any reason, or declines continuing employment, prior to fulfilling the two (2) year service obligation.
2. The Employee is terminated for cause, including for any violation of the Employee’s job description or any policy outlined in the PVCS Employee Handbook, prior to fulfilling the two (2) year service obligation.

### **REIMBURSEMENT TERMS**

In the event the Employee fails to fulfill the two (2) year service requirement as outlined above, the Employee agrees that unless otherwise agreed to in writing, the \$5,000 “Hard to Fill” Bonus shall become due and payable to PVCS as follows:

1. The Employee must reimburse PVCS for the \$5,000 “Hard to Fill” Bonus within thirty (30) days of the Employee’s separation from employment with the School.
2. Should the Employee demonstrate a financial hardship to PVCS, a reimbursement schedule may be negotiated between the School and the Employee as to time, amount, frequency, etc. of reimbursement at PVCS’s discretion.
3. If the Employee defaults on the reimbursement schedule, any remaining amount owed becomes immediately due and payable to PVCS.
4. The Employee shall be liable to PVCS for any costs, including attorneys’ fees, incurred by the School should PVCS be forced pursue legal action against the Employee to secure reimbursement of the \$5,000 “Hard to Fill” Bonus.

### **CERTIFICATION OF ACCEPTANCE OF TERMS OF THE AGREEMENT**

I have read the aforementioned responsibilities in relation to my receipt of a one-time “Hard to Fill” Bonus from PVCS and agree to comply with all terms included in this Agreement.

## **Independent Contractor Agreement 2019/20 School Year**

Contract Date: July 1, 2019

This Agreement is entered into between the Pacific View Charter School hereinafter called the **“The Charter School”** and California School Business Consultants hereinafter called **“The Contractor”**.

WHEREAS, The Charter School is authorized to contract with and employ any persons for the furnishing advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained, experienced and competent to perform the special services required; and

WHEREAS, The Charter School is in need of such special services and advice, and

WHEREAS, The Contractor is specially trained and experienced and competent to perform the special services required by The Charter School, and such services are needed on a limited basis;

NOW THEREFORE, the parties agree as follows:

1. Services to be provided by Independent Contractor:
  - Review and discuss Year End Closing documentation on revenue, expense and budget on a as needed basis
  - Consult during Auditor's visit & preparation as determined necessary by the Director of Central Office & Finance
  - Perform budget and financial analysis on a as needed basis
  - Assist with Personnel documentation related to Job descriptions, salary surveys as needed
  - Perform Personnel related duties as assigned by the Executive Director
  - Assist with Administrative planning, site related issues and financing options as determined necessary by the Director of Central Office & Finance and the Executive Director
  - Review staff prepared documents for Local, State and Federal budget and assists in monitoring budget on a as needed basis
  - Review staff transaction and budget adjustments on a as needed basis
  - Answer questions and discuss options via email, telephone, virtually or in person on a as needed basis
2. Term of Agreement:

1. The Contractor shall commence providing services under this Agreement on July 1, 2019 through June 30, 2020 and services may be discontinued by either party to this agreement.
2. It shall be expressly understood by The Contractor that time is of the essence per this Agreement and The Charter School may terminate this Agreement in the event of an unexcused delay in Contractor's performance hereunder.
3. The Contractor has the right to perform services for other agencies and/or schools during the term of this agreement.
4. The Charter School shall not obtain workers' compensation insurance on behalf of the Contractor. Contractor shall pay all income taxes and FICA (Social Security and Medicare taxes) incurred while performing services under this Agreement.

3. Compensation:

- A. The Charter School agrees to pay The Contractor for services rendered pursuant to this Agreement on an hourly basis at a rate of \$117.70 on an as needed basis. The annual contract is not to exceed \$20,009.00 (Twenty Thousand Nine Dollars and 00/100). Invoice shall be submitted monthly and contain a breakdown of services provided by The Contractor and time onsite training specified in hours as relevant in section 1.
- B. The Charter School agrees to pay The Contractor's hourly rate for services rendered onsite, offsite and by other forms of communication. Cost of transportation and lodging related to onsite visit shall be paid for by The Contractor.
- C. The Charter School shall pay the The Contractor according to the following terms and conditions: Upon presentation of a monthly invoice, payment will be made 30 working days after completion of service and presentation of invoice.

4. Termination of Agreement:

The Charter School may terminate this Agreement and will be relieved of all obligations under this Agreement should The Contractor fail to perform any of the terms and conditions hereof at the time and places set forth herein. In the event of such termination, The Contractor shall be paid the reasonable value of the services rendered up to the date of such terminations, less any payments theretofore made, as determined by The Charter School, and The Contractor hereby expressly waives any and all claims for damages or compensation arising under this Agreement in the event of such terminations.

5. Status of The Contractor:

It is expressly understood that at all times while rendering the services described herein and in complying with any terms and conditions of this Agreement, The Contractor is acting as an Independent Contractor and not as an officer, agent, or employee of The Charter School.

6. Compliance with Law:

The Contractor shall be subject to and shall comply with all Federal, State, and local laws and regulations applicable with respect to its performance under this Agreement including, but not limited to: licensing, employment and purchasing practices, and wages, hours and conditions of employment, including nondiscrimination.

7. Alterations or Variance:

No alterations to this Agreement or variance from the provisions hereof shall be valid unless made in writing and executed by both of the parties hereto.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the date hereinabove first written.

**AGREEMENT FOR ARCHITECTURAL SERVICES**

**Date:** February 20, 2019 (Revised 3.10.19)

**Project:** Pacific View Charter School  
3670 Ocean Ranch Blvd  
Oceanside, CA 92056

**Client:** Pacific View Charter School  
3670 Ocean Ranch Blvd  
Oceanside, CA 92056

**Site:** The Client's buildings are located in the  
Venture Commerce Center  
3600-2382 Ocean Ranch Blvd  
Oceanside CA 92056

**Project Description:** The proposed project involves various improvements to the two buildings owned by the Client, as addressed above. The two buildings, identified as Buildings 6 & 7, are made up of six condominium units each, for a total of 12 units. Improvements involve modifying some existing spaces and converting four rear warehouses to finished conditioned spaces for educational purposes.

**Pre-design and Conceptual Design** This work involved conceptual space planning, meetings with the Client to discuss their space needs and program, code analysis, other meetings identified and was completed under a previous contract, dated January 29, 2019

---

**Scope of Services:** The Architect will provide services consisting of the following phases and tasks:

---

Task One:  
**Schematic Design**

Based on Client provided previous tenant improvement plans and work completed under the previous contract (noted above), prepare final schematic floor plans. Meet, if necessary, with the Client for review and approval. During this phase, the building code analysis will be finalized. Make one site visit to confirm accessibility of restrooms within areas of work.

Task Two:  
**Design Development**

This phase of the work addresses specific functional and engineering criteria. The work begins to integrate the anticipated, mechanical, electrical, lighting. This includes two meetings and coordinating with the General Contractor's Design Build team.

During this phase, as necessary, the Architect will modify the floor and ceiling plans to reflect mechanical, electrical & lighting systems.

Task Three:  
**Construction Drawings**

This phase of the work involves preparing the final documents for use in obtaining approval from the City of Oceanside building department.

The construction drawings in this Scope will include the following:

Architectural:

--Title Sheet

--General Notes/ADA Notes & Specifications

--Architectural Site Plan (as provided by Client or Client's General Contractor from previous TI projects)

--Building Floor Plans

--Exterior Elevations (only where there is new work to be performed)

--Roof Plan (as needed)

--Interior elevations (as needed)

--Finish, Door & Window Schedules

--Architectural Details

Task Four:  
**Building Department Processing**

The Architect will assist the Owner in applying for and obtaining a building permit. Architect will respond to Building Dept. corrections list for his work.

Task Five:  
**Bidding**

The Architect will assist the Client with answering contractor questions.

Task Six:  
**Construction Observation**

The Architect will provide construction observation services to ensure compliance with the design intent. Site visits will be limited to a maximum of four. The Architect will coordinate with the Contractor regarding drawing clarifications. Site visits beyond the four included in this scope will be billed as an additional service.

---

**FEE:**

The basic Scope of Services outlined above will be completed for a fixed fee of \$18,500.

Fixed Fee percentage breakdown by Task:

Task One & Two:.....25%

Task Three, Four & Five.....50%

Task Six:.....25%

Fees are based on the Project description and Scope of Services outlined above. The fees will be modified correspondingly if there are significant revisions to either.

It is anticipated that all value engineering is completed before or by the end of the Design Development phase and fees may be modified accordingly if preparation of value engineering alternatives are required.

Reimbursable expenses are in addition to the estimated fees noted above and will be billed at 1.15% of actual expense of the Architect's costs and will include: reprographics, blueprinting, delivery service, postage and similar expenses.

Billings shall occur monthly and are due and payable within 30 days of the date of the invoice.

---

---

**ADDITIONAL SERVICES**

Additional Architect services which are not included within the Scope of Services above will be performed on an hourly basis and billed hourly are as follows:

- ⌘ Those identified as additional services
  - ⌘ Revisions and changes to the program or work contrary to previous direction, or increases in the scope of work
  - ⌘ Preparation of finished or specialty renderings
- 

---

**SERVICES NOT INCLUDED**

Consultant services not in in this scope of services include, but are not limited to:

- ⌘ Submittals and Discretionary approvals required by the Planning Department, including processing a Substantial Conformity application or modification to the existing Conditional Use Permit.
  - ⌘ Geotechnical, Civil, Mechanical, Plumbing & Electrical Engineering
  - ⌘ Structural Engineering
  - ⌘ Certified Access Specialist (CAsp)
  - ⌘ Lighting Design
  - ⌘ Landscape Architecture design
  - ⌘ Environmental/Hazardous Material work
  - ⌘ Off-site Improvements
  - ⌘ Acoustical Engineering
-

- ⤴ Utility Company Coordination
  - ⤴ Furnishings or Office Systems Specifications
  - ⤴ Fire Alarm/Protection Plans
  - ⤴ Signage Construction Drawings & Permits
- 

---

**ADDITIONAL PROVISIONS**Termination

Either party may terminate this agreement with seven day's notice. In the event of termination, the Architect shall be compensated for all services performed, and reimbursable expenses incurred, to the termination date.

---

---

**SCHEDULE OF BILLING  
RATES**

Architect.....\$165/hr.  
CADD Operator.....\$100/hr.  
Technical Support.....\$65/hr.

*A Family Business Since 1946*

[www.bayalarm.com](http://www.bayalarm.com)

LORI,

I would like to thank you for the opportunity to submit this Commercial Fire Alarm System Purchase and/or Services Agreement for your review and approval. I am proud to say that Bay Alarm Company has grown to become the largest family owned & operated electronic security company in America. We have been protecting businesses like yours for over 70 years, and we currently service more than one-hundred and forty thousand customers.

Although we have grown to become one of the largest alarm companies in America, we still recognize the importance of quick and efficient service. You will immediately recognize the difference between Bay Alarm and the other companies when you experience our commitment to total customer satisfaction. This is accomplished through providing our customers with one point of contact for all of their needs. Bay Alarm's mission is to provide our customers with the highest level of security and fire protection in the industry.

As a leader in our industry, we are proud to be affiliated with the following associations and agencies:

**California Alarm Association**

**The Monitoring Association**

**California Automatic Fire Alarm Association**

**Electronic Security Association**

**NetOne**

**National Fire Protection Association (NFPA)**

Thank you for your consideration. If I can be of any assistance by providing clarification or additional information please feel free to contact me. To learn more about Bay Alarm Company, please visit us at [www.bayalarm.com](http://www.bayalarm.com).

Sincerely,

PHIL CAMPERI

BAY ALARM TO PROVIDE FIRE ALARM SHOP DRAWINGS.

BAY ALARM TO PROVIDE ONE SET OF APPROVED FIRE PLANS TO LOCAL AHJ.

BAY ALARM TO PROVIDE LIFT.

PLANS AND PERMITS FEES HAVE BEEN INCORPORATED INTO THE INSTALLATION COST. BAY ALARM WILL NOT BILL SEPARATELY FOR PLANS AND PERMIT FEES.

DEPOSIT TO BE BILLED.

User desires no additional protection at this time, I.E. ADDITIONAL HEAT DETECTORS

Pricing: The pricing set forth in this Agreement is based on the number of devices to be installed as set forth in the Scope of Work. If the actual number of devices installed is different than the number set forth in the Scope of Work, the price will be adjusted accordingly.

## **Special Provisions:**

### **Services Provided:**

**Full Service:** Bay will provide all repairs necessitated by ordinary wear and tear to the System. All other repairs shall be at User's expense on a time plus material basis at Bay's then prevailing rates, which include a minimum 30 minute visit charge.

**Time Plus Material Service:** At the end of Bay's limited warranty Bay will provide all repairs at User's expense on a time plus material basis. Parts and labor will be billed at Bay's then prevailing rates, which include a minimum 30 minute visit charge.

**Monitor Only:** Bay will not provide repair service, testing or inspections to the Systems. User is responsible to provide this service.

### **Fire System:**

Smoke/Heat detectors—for area or spot detection only.

Bay to plan check and apply for required permits. User agrees to pay all permit, plan check, or drawing charges as required.

User understands and agrees that any additional devices required by the AHJ before final acceptance of System will be at User's expense at Bay's then prevailing rates.

User to provide a RED 20 amp Circuit Disconnecting Means for all required Dedicated Branch Circuits—User shall provide listed locks for the Circuit Disconnecting Means.

User to also provide dedicated 120VAC to the Fire Alarm Control Unit and associated power supplies, and install breaker locks for required power.

If smoke detectors are installed and then become dirty due to construction that takes place, the User understands they are responsible for repair and/or replacement.

If Bay is unable to gain access to the System for testing and inspections, User understands there may be a return trip fee. Bay will not issue a credit for failed or no access inspections.

User understands and agrees that the automatic fire alarm devices and appliances that will be installed or are located on this property are pursuant to the approved shop drawings that will be or were previously submitted by Bay to the AHJ for this property.

Additional state, other government agency, insurance inspections or testing which requires Bay personnel to be on site will be charged on a time plus material basis, at Bay's then prevailing rates.

Once System has been powered up and System is programmed at Bay's monitoring center the Monthly Service Fees is payable.

HVAC System power/shut off is to be provided by mechanical and/or electrical contractors. Duct detectors shall be provided with a grade level reset switch. Bay will monitor only.

If during the installation process the AHJ deems a fire watch is necessary while the System is being installed or temporarily inoperable, User to provide and pay for this service.

Any painting and/or patching is not included unless expressly stated otherwise.

Additional fees that are not included in the contract are as follows: permit fees, additional off hour inspections or re-inspection due to other contracted parties failure to show and have equipment ready for inspection.

Bay shall install a fire alarm System based on the Codes and Standards that were in effect at the time the System was designed, based on the prescriptive requirements for the occupancy. Bay is not providing an engineering assessment. If an engineering assessment of risk hazards is required, the User should contact a Registered Fire Protection Engineer.

### **If System Inspections are to be Performed:**

Bay will perform system inspections during normal business hours, Monday-Friday 9-5. Inspections performed after normal business hours are available at a premium rate.

Depending on the type of inspection being performed, User understands it may cause a disruption in business. This includes the annual testing of Notification Appliances.

### **If Sprinkler Inspections Service is Provided:**

Bay will conduct the inspections in accordance with Title 19, California Code of Regulations, Chapter 5, and Article 4. Bay is not providing or will not provide design analysis of the premises sprinkler system through the inspection. If a design analysis is desired the User should contact a Registered Fire Protection Engineer. Subscriber is responsible for having a design analysis performed if there is a change of use to the occupancy and/or products that are stored or produced within the occupancy.

### **If a New Owner Labor Agreement:**

Bay tests and inspects up to one (1) hour only. Any additional work that has not been contracted will be done on a time plus materials basis at Bay's then prevailing rate.

### **If a Takeover / Connect to User Owned Devices:**

Bay to connect to and monitor or control User's owned equipment. Any work to be done on User owned equipment that exceeds one (1) hour will be on a time plus material basis at Bay's then prevailing rate including any repairs or modifications required to make System operational.

### **Network & VoIP:**

User shall provide and maintain operational an Ethernet Network connected CAT-5 or higher cable with a RJ-45 plug termination at location specified by Bay. If required, User will provide I.P. address, gateway address and submask. If the Internet or Wireless Transmission is used as a primary or secondary transmission path, User will provide, at your expense, the necessary telecommunications connections facilities and required standby power. The Internet, radio and cellular networks are maintained and serviced by the applicable service provider and are totally beyond Bay's control. Signal transmission connectivity and speed may vary due to traffic volumes, adverse weather, System outages and other circumstances beyond our control. Internet Connectivity can only be supported through a PC with Internet Explorer. Mac's or other Browsers are not compatible at this time.

**VoIP TELEPHONE SERVICE:** The use of VoIP telephone service may interfere with the ability of the System to transmit alarm signals to our monitoring facility. The User must notify Bay in advance if considering the use of a managed VoIP service in order to assure its ability to function. User understands that DSL, unmanaged VoIP, or other internet-based services not approved in advance by Bay may not be used.

### **If a UL Certificate is Issued:**

User understands and agrees that UL charges Bay an annual fee for their services. User will reimburse Bay for the fee. Bay will automatically renew agreement and certificate for same initial agreement term, unless notified thirty days in advance by User.

### **Progress Billing:**

User understands and agrees that if there is a User caused interruption (i.e. User construction delay, remodeling, prewire, no power available, etc.) in Bay's ability to start and finish the installation and Bay must return at a later date to complete the installation, Bay will progress bill for a portion of work completed. A return trip charge may be incurred.

### **If an Addendum-Alteration Addition:**

User understands and agrees that Bay will leave balance of System as listed per previous agreements.

### **If Cancels Former Agreement-Alteration Addition:**

Contract terms begin upon date System and/or Service is online.

**SIGNS, DECALS AND SYSTEM COMMUNICATOR REMAIN THE PROPERTY OF BAY**

Bay Alarm Company – What Have You Got To Lose?

## Service Agreement

The agreement is made by and between **PACIFIC VIEW CHARTER SCHOOL** "User" and Bay Alarm Company hereinafter "Bay" and is effective for an initial period of five years, from date the System is operational. This agreement shall automatically, without action by either party, extend and renew itself under the same terms and conditions for successive periods of two (2) years each, after the initial period unless either party gives to the other at least thirty (30) days written notice, prior to expiration date, or its intention to terminate this agreement upon its original or any renewed expiration date.

Bay will sell to you and install the system ("System") described on the Scope of work section (s) and/or any additional continuation page (s), and if subscribed to by User, monitor and provide other services pursuant to the terms and conditions of this agreement.

**Fire Alarm Shop Drawings** will be completed for submittal to the governing Authority Having Jurisdiction (AHJ). Submittal times may be delayed if User cannot provide useable CAD (Computer Aided Design) files or architectural drawings to Bay. This may require Bay to create a set of floor plans in CAD at an additional expense to User. Floor plans are required for the production of fire alarm shop drawings.

**Governmental Review:** The AHJ may require approval of the System installation. Depending on the processing time for your current AHJ, Bay will not be responsible from delays arising for this portion of the installation process.

**Installation:** Local and state building and fire codes may prohibit the installation of a fire alarm System until approved by the governing AHJ and a permit for the installation is issued. Once Bay receives the approved permit the installation will begin approximately 6-12 weeks and will be completed within approximately 6-12 weeks.

### SCOPE OF WORK:

Services to be provided at the following location:

3670 OCEAN RANCH BLVD. OCEANSIDE, CA 92056

Total Installation Charge: \$ 8,100.00 (plus applicable sales tax)

Total Monthly Service Charge Due Quarterly in Advance: \$ 50.00

### User Acceptance:

In accepting this agreement, User agrees to the terms and conditions herein and any attachments or riders attached hereto that contain additional terms and conditions. It is understood that these terms and conditions shall prevail over any variation in terms and conditions on any purchase order or other document that the User may issue. Any changes in the System requested by the User after the execution of this agreement shall be paid for by the User and such charges shall be authorized in writing.

Bay Alarm Company – What Have You Got To Lose?

## Terms & Conditions

- 1. LIMITED WARRANTY:** (a) **WHAT IS COVERED:** For one year parts and ninety (90) days labor; after we complete the installation, we will repair or replace any defective part of the System without charge to you. We can use new or used parts of the same quality. (b) **HOW TO GET SERVICE:** Call 1-800-470-1000. (c) **WHAT IS NOT COVERED:** Repair of the System is our only duty. This warranty does not include batteries or labor associated with the replacement of batteries. We make no other express warranty including any warranty of merchantability of the System or its fitness for any special purpose. All the implied warranties of merchantability or fitness for any special purpose are limited to the duration of this expressed limited warranty. We do not warrant that the System will always detect, or help prevent any fire, smoke, waterflow or other such event. We do not warrant that the System cannot be defeated or compromised or that it will always operate. This warranty does not cover repairs that are needed because of an accident, acts of God, your failure to properly use the System, or if someone other than us attempts to repair or change the System, or any other reason except a defect in the equipment. We are not liable for consequential or incidental damages. You agree that this is our only warranty and we have given you no other warranty for the System. (d) **STATE LAW:** Some states do not allow the exclusion or the limitation of consequential or incidental damages or a limitation on the duration of implied warranties, so the above limitations or exclusions may not apply to you. The warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
- 2. ADDITIONAL COSTS:** User agrees to pay Bay's standard rate for past due or carrying charges and collection costs if payments are not made on time or if installation charge is paid on a periodic payment plan or progress billing. A reconnect charge is to be paid by User if the System is disconnected because of a past due balance and User desires it reconnected. User will receive no credit if System is temporarily disconnected or out of service for any reason. Bay assumes no liability for failure to perform because of labor disputes, riots, floods, fires, acts of God or any catastrophe or condition beyond our control and is not required to perform work while any such condition exists. If it becomes necessary for Bay to institute legal proceedings to collect any charges as set forth herein, the unsuccessful party shall pay to the successful party reasonable attorney's fees and actual court cost wherein permitted by law. If User fails to pay any obligations under this agreement when due, upon ten (10) days' written notice, Bay may disconnect the System. A reconnection fee in addition to all past due amounts, will be required prior to reactivating System.
- 3. BAY IS NOT AN INSURER, LIQUIDATED DAMAGES, LIMITATION OF LIABILITY:** For all Systems and services provided, User acknowledges that it is impractical and extremely difficult to fix the actual damages if any, which may proximately result from Bay's negligence, a failure by Bay to perform any of the obligations herein, including but not limited to, installation, monitoring, warranty repair, repair service or other services, or the failure of the System to properly operate with resulting loss to User because of, among other things a) The uncertain amount or value of User's property or the property of others kept on the premises which may be lost, destroyed, damaged or otherwise affected by occurrences which the System or service is designed to detect or avert; b) The uncertainty of the response time of any fire department, should they be notified as a result of a signal from or at premises; c) The inability to ascertain in advance what portion, if any, of any personal injury, death, or property loss would be proximately caused by Bay's failure to perform or by its equipment to operate; or d) The nature of the service to be performed by Bay. User understands and agrees that if Bay should be found liable for loss or damage due to failure of Bay to perform any of the obligations herein, including but not limited to installation, repair services, monitoring, fire inspections, or the failure of the System equipment in any respect whatsoever, or Bay's negligence then, Bay's liability shall be limited to a sum equal to the total of one half the annual payment or Fifteen Hundred Dollars (\$1,500.00), whichever is the lesser, as liquidated damages and not as a penalty and this liability shall be exclusive; and that the provisions of this paragraph shall apply if loss or damage, irrespective of cause or origin, results directly or indirectly to persons or property, from performance or nonperformance of the obligations imposed by this agreement, or from negligence of Bay, its agents, assigns or employees. User may obtain a limitation of liability from Bay for a higher limitation of liability in lieu of the liquidated damages set forth above by paying an additional fee to Bay. If User elects this option, a rider will be added to this agreement which will set forth the amount of the limitation of liability and the amount of the fee. Agreeing to the limitation of liability does not mean that Bay is an insurer.
- 4. THIRD PARTY INDEMNIFICATION:** When User, in the ordinary course of business, has the property of others in its/his custody, or the System extends to protect property of others, User agrees to and shall indemnify, defend and hold harmless Bay, its employees and agents for and against all claims brought by parties, other than the parties to this agreement. This provision shall apply to all claims regardless of cause including Bay's performance or failure to perform and including defects in products, design, installation, monitoring, repair, service, operation or non-operation of the System whether based upon negligence, warranty, contribution, indemnification, strict or product liability on the part of Bay, its employees or agents, but this provision shall not apply to claims for loss or damage which occur while an employee or agent of Bay is on User's premises and are solely and directly caused by such employee or agent.
- 5. SUBROGATION:** So far as it is permitted by User's property insurance coverage, User hereby releases, discharges and agrees to hold Bay harmless from any and all claims, liabilities, damages, losses or expenses, arising from or caused by any hazard covered by insurance in or on the User's premises whether said claims are made by User, his agents, or insurance company or other parties claiming under or through User. User agrees to indemnify Bay against, defend and hold Bay harmless from, any action for subrogation which may be brought against Bay by any insurer or insurance company or its agents or assigns including the payment of all damages, expenses, costs and attorney's fees. User shall notify his insurance carrier of the terms of this provision.
- 6. USER DUTIES:** You will instruct all other persons who may use the System on its proper use. If a problem in the System occurs you will notify us. Authorities may not respond to an alarm, and/or you may be subject to a fine or penalty unless you have all necessary permits and licenses for the use of the System. You agree that we may disclose the information of the instructions to any governmental agency having jurisdiction over the use and operation of the System. You will notify us in writing of any change in your fire rating bureau or agency. User will give Bay access to all portions the premises necessary to conduct inspections and tests of the System.

**7. INSTALLATION:** User will permit Bay to install the System during Bay's normal business hours and will give Bay uninterrupted access to User's premises. User agrees to compensate Bay for any additional installation/service visits required as a result of cancellation, readiness or unavailability to Bay's current prevailing rate. User has approved the locations of where the control panel, audible devices and all protective devices will be installed. User has the affirmative duty to inform Bay, prior to beginning of installation, of every location at the premises where we should not (because of concealed obstructions or hazards such as pipes, wires or asbestos) enter or drill holes. Upon request, User will repair the premises (including fixing broken sprinkler system components) reasonably necessary to facilitate the installation and operation of the System. If asbestos or other health hazardous material is encountered during installation, Bay will cease work until User has, at User's sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to Bay's personnel. In no case shall Bay be liable for discovery or exposure of hidden asbestos or other hazardous material, and User shall indemnify and hold Bay and its employees harmless from any claims brought against Bay and/or its employees by third parties for damages, personal injury, death, emotional injury, whether actual or prospective allegedly caused by the presence, spread, ingestion or inhalation of any substance/vapor on or originating from User's premises. Bay is not responsible if the installation is delayed because of bad weather, labor disputes, unavailability of electrical power or telephone service, Acts of God or other reasons beyond Bay's control. After completion of the System, User and a Bay representative will inspect it. If something is missing or not properly installed you the User will notify Bay within ten (10) days, otherwise the System will have been accepted by User.

**8. CHARGES, TAXES, and RATE INCREASES:** All charges set forth herein are based upon existing federal, state and local taxes and utility charges, including telephone company charges, if any. Bay shall have the right at any time to increase the monthly charges provided herein, to reflect any additional taxes, fees or charges provided herein, or charges which hereafter may be imposed on Bay by any utility or governmental agency relating to the service(s) provided under the terms of this agreement and User agrees to pay the same. So that Bay may properly adjust its rates to meet changing service costs and notwithstanding the terms and conditions set forth herein after the expiration of one (1) year from the date of completion of installation and not more often than once each twelve (12) months, Bay may increase the monthly service charge by up to 1.5 times the current Bureau of Labor Statistics Consumer Price Index for all urban consumers (related areas) or if this index is discontinued a comparable index as measured from the date of this agreement to the effective date of the increase upon giving User notice in writing. The billing invoice setting forth the new charge shall be sufficient notice of the increase. Notwithstanding any other terms and conditions set forth in this agreement, so that Bay may properly adjust periodic charges to recover increases in its services costs which are not recovered by increase pursuant to paragraph above, at any time after the expiration of one (1) year from date of installation, Bay may increase the monthly service charge to an amount exceeding the charge provided in paragraph above upon giving the User notice in writing. The billing invoice setting forth the new charge shall be sufficient notice of the increase. If User is unwilling to pay such additional monthly charges imposed pursuant to this paragraph and Bay is unwilling to rescind the additional amount, User may terminate this agreement upon giving written notice to Bay within ten (10) days from the effective date of the increase. User's failure to notify Bay within said ten (10) days shall constitute User's consent to the increase pursuant to this paragraph.

**9. ASSIGNEES/SUBCONTRACTORS OF BAY:** Bay may transfer or assign this agreement to any other person or entity including any financial institution or alarm company. User may not transfer this agreement to someone else (including someone who purchases or rents User's premises) unless Bay approves the transfer in writing. Bay may use subcontractors to provide installation, repairs, inspections, tests or monitoring services. This Agreement, and particularly paragraphs 3, 4 and 5, shall apply to the work or services Bay's assignees or subcontractors provide, and shall apply to them and protect Bay's assignees and subcontractors in the same manner as it applies to and protects Bay.

**10. MONITORING SERVICE:** When a signal from the System is received in Bay's Central Station, Bay will try to telephone the proper fire department or other emergency personnel and the first available person on the Emergency Notification List User gives us. You will notify us in writing of any changes in the instructions. To avoid Unwanted Alarms, Bay may, where permitted or required by the Authority Having Jurisdiction, call User's premises first to determine if an actual emergency exists before Bay calls any authorities. If Bay has reason to believe that no actual emergency exists, Bay may choose not to place such notification calls. Bay may discontinue any part of this service if required to do so by governmental or insurance authorities. User acknowledges and agrees that both User and Bay are required to comply with all laws, rules and regulations regarding monitoring and alarm response enacted or adopted by the governmental authorities having jurisdiction over the System. User consents to the tape recording of all telephonic communications between Bay's Central Station and User's premises. Bay may charge User for non-emergency signals, use of premises keys or alarm response by Bay personnel. If Bay holds premises keys, it is hereby authorized to enter and make a visual inspection of the interior of the premises or protected area. User acknowledges that if Bay utilizes a digital communicator for the purpose of sending alarm signals from User's premises to Bay's Central Station, that the signals from User's System may be sent over a single phone line to Bay's Central Station and other telephone calls cannot be made when the System is activated including 911 emergency operator calls; and in the event User's telephone service is out of order, disconnected, placed on vacation or otherwise interrupted, signals from User's System will not be received in Bay's Central Station during any such interruption and the interruption will not be known to Bay. User further acknowledges and agrees that signals are sent over telephone company lines which are wholly beyond the control and jurisdiction of Bay and are maintained and serviced by the applicable telephone company. User agrees to pay all charges for all telephone services connecting User's protected premises and Bay. User acknowledges that if Wireless Transmission becomes inoperative for any reason, signals will not be received in Bay's Central Station. User acknowledges that Wireless Transmission may be impaired or interrupted by atmospheric conditions, including electrical storms, power failures or other conditions beyond the control of Bay.

**11. EXCESSIVE ALARMS:** In the event an excessive number of false alarms or service calls are caused by User or in the event User in any manner misuses or abuses the System, Bay may, in its sole discretion, deem same to be a material breach of contract on the part of User and, at its option, be excused from further performance upon the giving of ten (10) days written notice to User. Bay's excuse from performance shall not affect its right to recover damages from User. User represents he fully understands that the equipment, because of its sensitivity and nature, is subject to the influence of external events which are not within the control of Bay and which may cause the alarm to activate. In the event a fine, penalty or fee is assessed against Bay or User by any governmental or municipal agency as a result of any alarm originating from User's premises, User agrees to be responsible for payment of all assessments and/or reimburse Bay for Bay assessments. Any or all such alarms shall not excuse any of the obligations of User as set forth in the agreement.

**12. DISCONNECT POLICY:** User hereby authorizes Bay to manually or automatically disconnect System if so ordered by a public official or regulation or for nuisance or electrical reasons or if Bay is unable to notify User at emergency numbers listed or if User declines or fails to arrive at premises within thirty (30) minutes after notification. User agrees to hold Bay harmless and to indemnify Bay for any damage, loss, or liability which may result from the turning off of the System.

**13. CONTROL COMMUNICATOR:** The control communicator is owned by Bay. User acknowledges and agrees that Bay reserves the right to access the digital control communicator by way of remote programming in order to perform diagnostics, change and/or update information, or disconnect service upon the termination or expiration of this agreement.

**14. RENEWAL; ENTIRE AGREEMENT:** It is understood and agreed by and between the parties hereto, that if there is any conflict between this agreement and User's purchase order or any other document or Bay literature, this agreement will govern, whether such purchase order or other document is prior or subsequent to this agreement unless expressly superseded or replaced by a subsequent agreement. In the event any provisions or parts of this agreement shall be unenforceable, the parties understand and agree that the remaining provisions and parts shall continue in full force and effect. There are no verbal understandings changing or modifying this agreement. If User cancels agreement before installation begins, User agrees to pay an administrative charge of 50% of the installation charge. We retain ownership in the System until the sales price is paid in full. If you fail to make any payment for the purchase of the System you empower us and will permit us to disconnect and remove the System or any part of it from your premises. In addition we may pursue any rights and remedies we may have as a secured creditor under the Uniform Commercial Code or pursue any other rights we may have under the law. Removal or disconnection of the System shall not be deemed a waiver of our rights to collect damages, and we shall be under no obligation to restore your premises to its original condition if we terminate the installation or remove the System or any part of it.

**15. GOVERNING LAW:** This writing is intended by the parties as a final expression of their agreement and as a complete and exclusive statement of the terms thereof. This agreement supersedes all prior representations, understandings or agreements of the parties; and the parties rely only upon the contents of this agreement in executing it. This agreement can only be modified in writing signed by the parties or their duly authorized agent. No waiver or breach of any term or condition of this agreement shall be construed to be a waiver of any succeeding breach. User agrees that this agreement is performed in the state of California and shall be governed by the laws of California. User agrees that any and all legal proceedings will have Contra Costa County California as the exclusive place of venue.

**16. LEGAL WAIVERS; JUDICIAL REFERENCE:** Both parties hereby agree that no suit or action that relates in any way to this agreement (whether based upon contract, negligence or otherwise) shall be brought against the other more than one (1) year after the accrual of the cause of action therefore. Both parties agree that no lawsuit or any other legal proceeding connected with this Agreement shall be brought or filed more than one (1) year after the incident giving rise to the claim occurred. Any controversy, dispute, or claim between the parties arising out of or relating to this Agreement, (other than actions brought by Bay in small claims court to collect amounts due under this Agreement) will be settled by a reference proceeding in Contra Costa County California, in accordance with the provisions of Sections 638, et seq and 641 through 645.1, and of the California Code of Civil Procedure, or their successor sections, which shall constitute the exclusive remedy for the resolution of any controversy, dispute, or claim concerning this Agreement, including whether such controversy, dispute, or claim is subject to the reference proceeding. The referee shall be appointed to sit as a temporary Judge with all of the powers of a temporary Judge authorized by law. In the event that the enabling legislation, which provides for the appointment of a referee is repealed and no successor statute is enacted, any dispute between the parties that would otherwise be determined by a reference procedure herein, will be resolved and determined by binding arbitration. That arbitration will be conducted by a retired Judge of the Superior Court in accordance with Section 1280 to 1294.2 of the California Code of Civil Procedure, as amended from time to time.

**17. IMAGING:** User agrees that Bay may save and store all agreements and other documents executed by User in an electronic media and all such agreements and other documents shall be deemed to be, and may be used by Bay as, originals and shall be given the same force and effect as the paper-form original.

**18. DEFAULT BY USER; EXPIRATION; TERMINATION:** If any proceeding in bankruptcy, receivership, or insolvency shall be commenced by or against User or his property, or if User makes an assignment for the benefit of creditors, User and Trustee or Assignee appointed to take charge of User's assets shall elect within thirty (30) days to assume or reject this agreement. If assumed, the party assuming this agreement shall within sixty (60) days thereafter: (1) cure all defaults including payment of all amounts due, and (2) provide to Bay adequate assurances of the future performances. Bay shall have the right to terminate this agreement. If User defaults or cancels this agreement, or this agreement is terminated in whole or in part for any reason other than Bay's default, Bay shall be entitled to collect and User shall pay to Bay: (i) all amounts due to Bay for services performed and equipment provided through the termination date of the agreement, and (ii) all amounts to which Bay is entitled by law for the unexpired term of the agreement, including loss of profits. Thirty day written cancellation required. At the expiration or termination of this agreement for any reason, Bay is authorized to enter onto the premises of User and remove Bay's identification signs, decals, equipment and reprogram or otherwise modify the control communicator so that it will no longer communicate signals to Bay's Central Station.

**19. BAY'S LICENSES: CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTOR'S STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 2600, SACRAMENTO, CA 95826.**

## **Classified**

# **Job Description: Part-Time Speech and Language Pathologist**

### **Description of Position:**

The Speech and Language Pathologist is directly responsible to Director of Special Education. The Speech and Language Pathologist shall provide services at school sites. Services to include direct services, including evaluation and therapy to students with speech requirements and language needs, as well as consultation with staff and parents regarding optimum strategies for maximizing curricular success.

### **Essential Duties and Responsibilities include but are not limited to the following:**

- Administer and coordinate diagnostic, therapeutic and consultative functions relative to communication disorders evaluation.
- Consult with teachers and parents regarding speech and language development.
- Consult with parents regarding methods parent can use at home to help their child with communication disorder.
- Develop and administer a speech and language therapy program consistent with the needs of student and according to establish IEP goals.
- Work collaboratively with Administration on assessment, test data, and response to intervention.
- Provide Speech and Language screening services.
- Participate in IEP and Student Success Team pertinent to students with speech and language issues.
- Assist in the development of IEP goals in relation to Speech and Language.
- Evaluate student progress in the Speech and Language program and communicate with parents, teachers and administration.
- Evaluate, in conjunction with other professionals, as necessary the effects of speech, language and hearing disorder on a pupil's educational performance and academic achievement.
- Conduct regular therapy sessions, individual and groups; prepare the goals as part of the Speech Therapy Report on each student scheduled for therapy.
- Communicate and coordinate the speech and language program with teachers, resource staff, and administration.
- Develop schedules related to student services.

- Provide training for students with hearing impairments in the effective use of residual hearing, skillful use of amplified sound speech reading skills, and effective use of visual environmental cues.
- Maintain student records and attendance reporting as required.
- Prepare individual case file on each student and those considered for therapy, including Special Language reports.
- Participate in the completion of Special Education reports and request for information.
- Consult with community agencies, medical personnel, parents and other professionals, and acts as a liaison among these groups for children with communicative disorders.
- Attend staff, school, county and other meetings as necessary.
- Other duties as assigned.

### **Requirements:**

### **Education and Experience:**

Valid California Speech Language Pathology Services Credential  
and/or

Master's degree in Communication disorders from an accredited college or university, CTC basic skills requirement and a valid license from California Speech Language Pathology & Audiology Board

and/or

Clinical or Rehabilitative Services – Language Speech & Hearing Credential  
IEP/SST/504 experience preferred

Valid California Drivers License

### **Knowledge, Skills, and Abilities:**

An ability to plan, organize, write with clarity and correctness and work cooperatively with fellow employees, staff, administrators, and parents.

### **Physical Demands:**

- Dexterity of hands and fingers to operate a computer keyboard
- Sitting or standing for extended periods of time
- Hearing and speaking to exchange information and making presentations
- Seeing to read a variety of materials

The amount of time for each activity varies depending on daily work load and priority schedules. Some days, sitting could occur more frequently, and on other days standing and walking could occur throughout the workday. May sit for prolonged time when completing projects; however standing breaks are encouraged. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

**Work Environment:**

School office environment  
Constant interruptions and a moderate noise level  
Evening or variable hours

**Reasoning Ability:**

Prioritize, organize, and multi task. Set appropriate goals, problem-solve, accept personal accountability for moving in the direction of the Executive Director's goals. Interpret, apply and explain rules, regulations, policies and procedures. Assist in the preparation of comprehensive narrative and statistical reports. Perform under demanding, often stressful and varied work schedules with the ability to remain flexible and focused with interruptions and distractions.

**Work Year:** 192 Days

Supervisor: Director of Special Education

Board Approved:

9.3
